

ELECTION OF CLAIMS

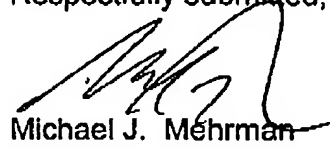

The Examiner has required a Restriction of claims. Applicant traverses the restriction requirement, however, because the inventive step for each class is the same and should therefore be considered a single invention. Nonetheless, Applicant requests examination of Group I, which includes Claims 1-11.

CONCLUSION

Applicant submits that the application is now in a condition for examination. If Examiner Vu believes that there are any issues that can be resolved by a telephone conference, or that there are any informalities that can be corrected by an Examiner's Amendment, please contact Mike Mehrman at (404) 497-7400.

The undersigned believes that no fees are due in connection with this response. However, if any fees are found to be due, he hereby authorizes payment of required fees or the credit of any overpayments, to be withdrawn or applied to Deposit Account Number 50-2591.

Respectfully submitted,
